I'M ORGANIC & I'M BAVARIAN!

OUR ORGANIC PARTNERS:

We source additional certified organic foods that we use to prepare our dishes from these trusted partners:

Ökoring | Miesbacher | Schottenhamel und Lechner GmbH | Pfaffenhofener Land | Herbaria Kräuterparadies GmbH | Del Fiore Gelato | Münchner Kindl Senf | Altdorfer organic meat

These ingredients are exclusively of organic quality:

grapes | fig mustard | Emmentaler cheese | jackfruit | Madagascar vanilla ice cream | lemon juice | French fries | rice | almonds | rum | raisins | applesauce | powdered sugar | nutmeg | paprika | black pepper | coffee | sour cream | vanilla | cheese-filled sausage | sugar | tea | beet & horseradish hummus

OUR BIO-BAYERN PARTNERS:

For us, local and organic go hand in hand. That's why we are pleased to produce in a way that meets the requirements of the "Bio-Bayern" seal. Whenever possible, we use organic ingredients from Bavaria and work with regional partners.

The "Bio-Bayern" seal is awarded to products that are produced in accordance with the requirements of EU organic farming legislation and whose agricultural raw materials come primarily from Bavaria. This is how we combine organic quality with regional sourcing – in a transparent and traceable way.

We offer these ingredients in "Bio-Bayern" quality:

Ökoring: butter | cream | yogurt | portobello mushrooms & mixed mushrooms
Packthof: loin ham | Regensburg-style sausages | white bratwurst | beef shoulder | top round
Our region: pickles | milk | red cabbage | Spätzle cheese | medium-hot mustard
Legomo: chickpeas

Some products are also Naturland-certified; Naturland-certified products meet environmental and social standards that go beyond those of EU organic farming legislation. In addition to banning synthetic chemical pesticides, Naturland advocates for improved drinking water protection by limiting the total amount of fertilizer used, additional animal welfare inspections beyond the annual EU organic inspection, stricter guidelines for food additives, globally uniform social guidelines, and much more.

Altdorfer organic meat: Munich-style meat loaf | pepper sausage | Lyoner sausage | roasted bratwurst | white sausage
Seepointer Hof: eggs | soup chickens
Obermooser: Oberland cheese | Musikus hard cheese | Alpine cheese | Obermooser brie (plain) | Obermooser Camembär (plain)

We proudly present daily:
Kapelle Otto Schwarzfischer

Under the direction of Christian
Sachs, this band achieves the balance
between traditional brass band and
Oktoberfest Schlager music.

Starting at 8:00 p.m.:

SÜDHERZ

When the music is bringing people
together and the Wiesn is rocking, it
must mean the 10 musicians of SÜD-
HERZ are putting on their
extraordinary show –
peppered with theatrical elements
and a repertoire ranging from
chart-toppers to cult classics.

AKTION ZUKUNFT+

The Festhalle Schottenhamel supports a campaign called Zukunft+ (Future+) sponsored by Munich and Ebersberg counties. In this program, we purchase Zukunft+ certificates to offset the CO₂ emissions created by the Oktoberfest.

A portion of this money goes to support projects in countries of the Global South. The remainder of our money finances a project called "Forest Conversion in the Ebersberg Forest – Fall Planting Season." Our motto is: avoid, reduce and compensate as a last resort. Companies interested in supporting the Zukunft+ campaign must initially take steps to reduce their own emissions to qualify for the program.
